# Reflection From Our Director

Looking back on the past year has shown an amazing number of changes inside our library spaces! After learning that patrons want something different from libraries than they may have previously, we were excited to be able to adapt our spaces to meet those new needs. Not only behind the scene projects occurred to use our staff spaces smarter and accommodate new positions, but all of our physical buildings saw change.

The **May Memorial Library** has an additional meeting room for use, two new small study rooms, and an abundance of study areas and comfortable seating options for those who need to have a place to work privately on our Wi-Fi. The Teen section also had a major shift that allowed for the addition of a new seating area that provides a safe place for teens to hang out. And the Children's department created multiple spaces for kids and families to engage with activities and socialize.

The **Graham Library** moved almost every piece of furniture in the library to create a children's area that's safer for children, further from the entrance to help reduce the noise level but also prevent the youngsters from making a run for the automatic doors. The new adult space has an abundance of new tables and chairs as well as two new single booths and two private study booths, which is a first for Graham. There's also now a teen section with colorful, comfortable seating and tables.

The **Mebane Library** rearranged and added engagement opportunities to their children's space creating separate areas for young children and elementary aged children and was also able to add a teen space to the second floor as well. The adult section on the second floor saw quite a few improvements, including sound reducing paneling in the existing meeting rooms, adding two additional meeting rooms, new tables for personal study areas, and additional comfortable seating throughout.

The **North Park Library** also saw an abundance of change with the addition of the Discovery Lab, a makerspace filled with multiple hands-on opportunities including sewing, tools, 3D printers, coding devices, and more!

With all of these changes we still served **299,200 visitors** and checked-out **468,820 items**. We offered **1,650 programs** that brought in **46,111 attendees**, which is a **25% increase** from fiscal year 2022-2023. Creating more welcoming space also resulted in a large increase in our **computer and Wi-Fi usage with 88,781 uses** in FY 23-24 compared to 68,804 in FY 22-23. Almost all of that increase was in the Wi-Fi use which saw a **61% increase**.

We welcome feedback from our patrons and are grateful to have received special funding which made implementing change possible. Offering opportunities for the community to live a larger life and nurture their heart and mind is our priority!

# May Memorial Library

Alamance County Public Libraries

May Memorial Library  
342 S. Spring St.  
Burlington, NC  
(336) 229-3588

The first public library serving Burlington was located in Broad Street High School in the early 1920s. By 1937, the public library had moved to temporary quarters in a storefront located on Main Street. In 1938, industrialist W.H. May, Sr. and his two sons donated \$15,000 towards the purchase of the old U.S. Post Office for use as a public library. This building was constructed in 1918 and stands at the corner of E. Davis and S. Spring Street.

May Memorial Library opened for business on June 2, 1938. At that time, only the main floor fronting on S. Spring St. was in use. In 1945, a Seth Thomas grandfather clock was donated to the library by Col. Eugene Holt, grandson of textile magnate E.M. Holt. It quickly became a much-beloved symbol of the library within the community. In 1955, the basement floor with an entrance on E. Davis Street was remodeled and opened to the public.

By the 1960s, Alamance and Chatham counties had signed a formal cooperation agreement to become the Central N.C. Regional Library with May Memorial Library as its headquarters.

In 1981 a new library wing with approximately 4,600 square feet of additional space on the main floor was opened and the basement and second floor of the library were given over to staff work areas. In the late 1990s, local textile CEO Allen Gant, Jr. of Glen Raven, Inc. offered an adjacent building, the former Sears Department Store, to the City of Burlington to expand the public library. The original 1918 building and 1981 addition were linked as one wing with the 1950s Sears building as the other wing connected by a vaulted ceiling entryway and officially opened November 17, 2000.

Graham Public Library  
211 S. Main St.  
Graham, NC  
(336) 570-6730

The opening of the Graham Public Library as an extension of the May Memorial Library was the highlight of library service in 1967 in Alamance County. Through a partnership with the City of Graham and the board of the May Memorial Library, the Graham Public Library opened in September 1967 in the Graham City Hall as a 3,000 square foot facility with more than 5,000 books. In 1969, the Stokes family was commemorated for the monetary gift made by the Stokes children in honor of Mr. and Mrs. William T. Stokes, which made the Graham Library possible.

In 1994, a two million dollar project was approved to construct, equip and furnish two new Graham facilities: the Graham Public Library and the Graham Police Department. Scheduled to be completed in 240 days, both buildings were placed south of the municipal building; the police department off of Maple Street and the library off of Main Street. The new 10,500 square foot library, which is more than three times the size of the original library, opened its doors on Monday, July 31, 1995.

# Mebane Public Library

Mebane Public Library  
101 S. First St.  
Mebane, NC  
(919) 563-6431

In 1935 the idea that started the Mebane Public Library began with a local literary club, the Reviewers. Through their efforts in recruiting support and funds, the small beginning of the Mebane Public Library was made possible by Mr. E. M. Yoder, Principal of the Mebane Public School in 1936. Members of the Reviewers Club served as library clerks in the small room in the school. The official Mebane Public Library opened in December 1936 in the Commerical & Farmer's Bank Building, situated at the corner of Clay and North Fourth Streets.

In the Fall of 1941, the building owners offered to sell the building to the City of Mebane for the permanent home of the library. Through the efforts of local civic club fundraising, the building was purchased without the use of any tax payer funds. In 1975, the library moved into a 5,000 square foot space in the back of the Mebane Town Hall.

By the late 1990s, the windowless space at the Mebane City Hall had become cramped and library use had outgrown the space. In the early 2000s the idea to refurbish a vacant mill building revitalized the community. Built in 1919 as Durham Hosiery and changing hands over the years to become Dixie Yarns in the 30s and R.L. Stowe Mills until 2001, the renovated space offered three times the capacity for the new Mebane Public Library and opened its doors on November 7, 2005.

# North Park Library

Alamance County Public Libraries

North Park Library  
849 Sharpe Rd.  
Burlington, NC  
(336) 226-7185

The North Park Community Center was built by the City of Burlington in 1978 with funds from the federal Housing and Community Development Act. Initial partnering organizations operating part-time from the new facility included the Burlington Police Department's Crime Prevention Bureau, the Alamance-Caswell Area Mental Association, the Alamance County Health Department and the N.C. Central Regional Library.

On May 15, the North Park Library opened in a small room (approximately 300 square feet) of the community center and offered 'listening posts,' special programs, a story hour and a small collection of books and materials.

As popularity grew, a meeting room space was added to the library's availability, doubling the size to approximately 600 square feet. This allowed for more materials and the eventual addition of public computer space. In 2015, the City of Burlington began renovation projects in North Park. Early efforts provided new carpet and a reorganization of resources. Later efforts included a brand new entrance within the atrium of the community center.

# MOBILE LIBRARY

Alamance County Public Libraries

In 1938, a county bookmobile began its service in Alamance. Carrying 400 books in a converted light-delivery truck, a three-week rotation of deliveries was established.

By 1951, a second vehicle increased capacity to 1,600 books and records, making deliveries to 83 stops every two weeks. The next thirty years of continuous bookmobile service continued to grow and thrive in Alamance County until the last vehicle couldn't be replaced in the late 70s/early 80s.

In 2021, ACPL took possession of our new, high-tech Mobile Library! We then began running a designated route in October 2021, serving over 40 stops on a three-week schedule with appearances at special community events as well!

## ITEMS CHECKED OUT

With this year seeing so much change in our library spaces, we are thrilled to see that our space usage has remained the same with 299,200 library visitors. We provide welcoming spaces for our community to remain for short or long periods of time to complete their work.

FY 2023-2024 showed a total of 468,820 items checked out. Considering there was so much movement inside our libraries as we shifted shelving, seating, and almost everything inside some branches, this high total number of items that circulated is rewarding as moments were confusing for patrons to find what they were interested in.

## Discovery Lab

The Makerspace at the North Park Library was made possible with special project money and the Community Development Block Grant in partnership with the City of Burlington. Six learning modules are now operational, offering engagement and life skills opportunities to East Burlington.

## Your Next Great Read

A personal readers' advisory service for patrons. Participants can submit their reading preferences and are assigned a personal readers' advisory specialist to select books to try.

## Zoom Pass Program

ACPL and the Friends of the Alamance County Public Libraries have teamed up with area attractions to make the ACPL ZOOM Pass program available.

## 24/7 Pick-Up Lockers

We are excited to be able to offer a new contact free option to pick up library hold materials. Available at the Graham Public Library, patrons may request their pick-up location to take place at the outside locker system.

## StoryWalks

There are four StoryWalks scattered around Alamance County that feature deconstructed children's books in an activity for families that promotes literacy and physical activity.

## InterLibrary Loan

Materials not owned by any of the libraries of the Alamance County Public Libraries may be borrowed via InterLibrary Loan Service.

## Mobile Printing

Print from your hand-held devices to the Graham, Mebane or May Memorial public libraries. Printing charges are applicable.

## Seed Library

The seed library is a free program that encourages residents to plant, share, and save seeds. The mission of the seed library is to make free seeds available to anyone in our area to grow their own food, promote gardening and seed saving, promote healthy outdoor activity, provide information, education, and instruction about sustainable organic gardening and seed saving, and more.

## Local History & Genealogy

Online and in-person assistance and resources are a big part of the quest towards discovering your personal history.

# JOB & CAREER

Making Opportunities a Reality

## Computers & Technology

ACPL is proud to offer the following to our community:

- Free Internet & Wi-Fi
- Desktop & Chromebook computers
- Hotspots for check-out from 2 providers (ensuring coverage across the county):
  - Verizon
  - T-Mobile
- LaunchPads - educational tablets with pre-loaded themed content for all ages. They do NOT require wi-fi or Internet to function.

## Electronic Resources

Through our online databases and NC LIVE, we offer over 146 resources providing online access to complete articles, newspapers, journals, encyclopedias, and more. All available free of charge to library patrons, both in the library and remotely with your library card.

## Online Job & Career Training Resources

ACPL staff offer virtual, in-person, and pre-recorded programs. A wide variety of resources are also available to assist in writing resumes, cover letters, and prepare for interviews. Some resources include:

- Ferguson's Career Guidance Center
- EBSCO Learning Express/Prepstep
- Niche Academy
- DigitalLearn.org

## Appointments

The Emerging Technologies Librarian and other library staff offer classes and one-on-one appointments on numerous technology assistance topics. Repeat topics include applying for jobs, resumes, and email troubleshooting.

Appointment Statistics:

1:1s: 66; Library Programs: 10;

Off-Site Programs: 67

## GED Classes with ACC

GED classes are offered for students who have not completed their high school education. These classes are offered to those who need to improve academic skills in order to qualify for better jobs. Class locations vary based on need.

# Education & Literacy

ASSISTING THE ALAMANCE COUNTY COMMUNITY

## Storytimes

We offer a wide variety of storytime options for parents and families. Weekly in-person themed programs, virtual storytimes - both live and pre-recorded, stay-home lessons, and take-home storytime kits.

## ACPL Connect

ACPL Connect accounts provide students with easily accessible information and educational resources. Students no longer need library cards. Instead, they can use their school ID number to access library services.

## ecoExplore

Experiences Promoting Learning Outdoors for Research and Education is an incentive-based citizen science program for children in grades K-8. Developed by The North Carolina Arboretum, this innovative program combines science exploration with kid-friendly technology to foster a fun learning environment for children while encouraging them to explore the outdoors and participate in citizen science.

## Library of Things

Check out some of the non-traditional print materials we make available to patrons:

- Book Club Kits
- Books & Story To Go Kits
- Educational Resource Kits
- Computer flash drives
- Bike locks for use when inside the library
- ***New this Year - Board & Card Games Collection***

## Every Child Ready to Read

Every Child Ready to Read is an initiative created by the Public Library Association and the Association for Library Service to Children to encourage parents, as their child(ren)'s first teacher, to participate in enrichment activities that create the building blocks for reading.

## 1,000 Books Before Kindergarten

Studies have shown that by age three, a child's brain has reached 80 percent of its adult volume. Early experiences and interactions are a key factor in a child's brain development. We challenge parents and guardians to participate and win prizes in reading 1,000 books to their children before kindergarten.

*Huge thank you and appreciation to our library systems and librarians. Growing up, my mom brought us to the library all the time to participate in programming and borrow books. I'm so happy to continue those visits with my daughter. Whenever I pick up our latest haul of children's books my toddler says, "New books?! My new books!" and she gets so excited. We have to stop whatever we're doing so we can immediately start reading. We've also enjoyed the Zoom passes, and I've been happy to have a space to work in one of the study rooms when I need to leave the house.*

Thank you for having public computers and laptops available. I am doing some online schooling starting in the Fall and did not know how I would tackle it not having a PC or a functional laptop at home.

**Growing up my grandma used to take me to the library every weekend. I continue the tradition with my children. We are major book worms in our family.**

While house hunting in Mebane I visited the library in such a beautiful old building. I checked the stacks to find all my favorite authors. Found I could also have books sent from the other branches. I believe the library sold me on the town.

**VISITED THE LIBRARY ON SATURDAY WITH MY DAUGHTER AND GRANDSON. MY DAUGHTER WAS IN AWE OF THE YOUNG ADULT SECTION. SAID SHE WISHED SHE HAD THAT MANY SELECTIONS IN OUR HOMETOWN WHEN SHE WAS THAT AGE. KUDOS TO THE LIBRARY (AND LIBRARIANS) FOR MAKING IT A GREAT PLACE TO GET MANY BOOKS TO SELECT.**

**I HAD NO IDEA ZEN BOOTHS EXISTED, MUCH LESS WERE AVAILABLE RIGHT HERE. I'VE USED THE STUDY ROOMS TO TAKE PROCTORED EXAMS BEFORE, BUT THIS WILL BE MY GO-TO NEXT TIME! THANK YOU FOR PROVIDING THIS SERVICE!**
