Reflection From Our Director

LOOKING BACK AT THE PAST YEAR, THERE WAS JUST AS MUCH DAY-TO-DAY CHAOS IN OUR LIBRARIES AND COMMUNITY AS THERE SEEMED TO BE ALMOST EVERYWHERE IN THE WORLD. AND WHILE, AT TIMES, IT SEEMED TO BE OVERWHELMING, THERE WERE ALSO SOME GREAT CHANGES. WE WERE LUCKY ENOUGH TO RECEIVE A GRANT TO HIRE A CONSULTANT TO HELP US CREATE A NEW STRATEGIC PLAN. IN THE STATE OF NORTH CAROLINA, LIBRARIES ARE REQUIRED TO HAVE FIVE-YEAR STRATEGIC PLANS TO REMAIN ELIGIBLE TO RECEIVE STATE AID TO LIBRARIES.

OUR CONSULTANTS WORKED REALLY HARD WITH STAFF TO MEET WITH OUR COMMUNITY MEMBERS IN FOURTEEN COMMUNITY FORUMS SCATTERED ALL AROUND THE COUNTY, SEVEN INDIVIDUAL CONVERSATIONS WITH STAKEHOLDERS THAT COULDN'T MAKE IT TO THE SCHEDULED FORUMS, AND COMPLETED SURVEYS IN BOTH ENGLISH AND SPANISH TO GET FEEDBACK FROM ALAMANCE COUNTY CITIZENS ON WHAT THEY NEED AND HOW THE LIBRARY CAN ASSIST THEM WITH THOSE NEEDS.

AS A RESULT, OUR NEW MISSION, VISION, AND GOALS REFLECT THE ACTUAL WORDS AND COMMENTS COMMUNICATED DURING THOSE CONVERSATIONS TO CREATE A PATH FOR THE LIBRARY TO SUPPORT OUR COMMUNITY AS IT GROWS.

OUR MISSION

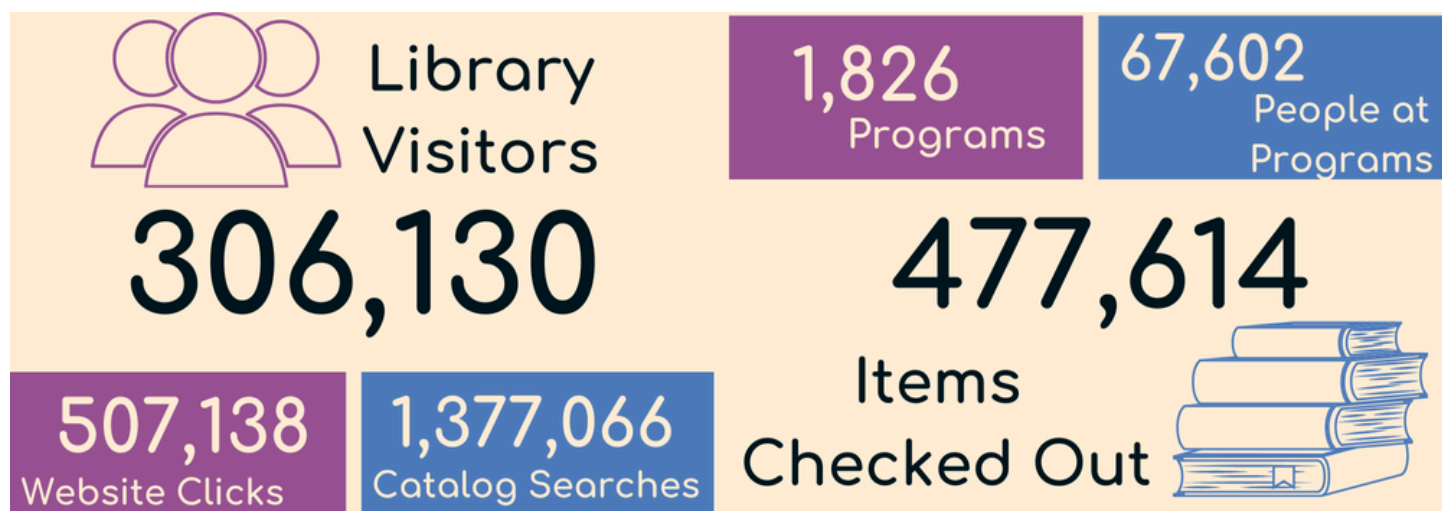

NURTURING MINDS, CONNECTING COMMUNITIES, AND BUILDING A THRIVING FUTURE.

OUR VALUES

WE ARE WELCOMING, HELPFUL, KNOWLEDGEABLE, PROFESSIONAL, RESOURCEFUL, AND INNOVATIVE.

OUR PRIORITY GOALS

1. FOSTERING LEARNING AND NURTURING EXPLORATION
2. CONNECTING PEOPLE WITH VIBRANT RESOURCES AND SPACES
3. EMPOWERING LIVES FOR A THRIVING COMMUNITY

Director of the Alamance County Public Libraries

May Memorial Library

The first public library serving Burlington was located in Broad Street High School in the early 1920s. By 1937, the public library had moved to temporary quarters in a storefront located on Main Street. In 1938, industrialist W.H. May, Sr. and his two sons donated \$15,000 towards the purchase of the old U.S. Post Office for use as a public library. This building was constructed in 1918 and stands at the corner of E. Davis and S. Spring Street.

May Memorial Library opened for business on June 2, 1938. At that time, only the main floor fronting on S. Spring St. was in use. In 1945, a Seth Thomas grandfather clock was donated to the library by Col. Eugene Holt, grandson of textile magnate E.M. Holt. It quickly became a much-beloved symbol of the library within the community. In 1955, the basement floor with an entrance on E. Davis Street was remodeled and opened to the public.

By the 1960s, Alamance and Chatham counties had signed a formal cooperation agreement to become the Central N.C. Regional Library with May Memorial Library as its headquarters.

In 1981 a new library wing with approximately 4,600 square feet of additional space on the main floor was opened and the basement and second floor of the library were given over to staff work areas. In the late 1990s, local textile CEO Allen Gant, Jr. of Glen Raven, Inc. offered an adjacent building, the former Sears Department Store, to the City of Burlington to expand the public library. The original 1918 building and 1981 addition were linked as one wing with the 1950s Sears building as the other wing connected by a vaulted ceiling entryway and officially opened November 17, 2000.

Graham Public Library

The opening of the Graham Public Library as an extension of the May Memorial Library was the highlight of library service in 1967 in Alamance County. Through a partnership with the City of Graham and the board of the May Memorial Library, the Graham Public Library opened in September 1967 in the Graham City Hall as a 3,000 square foot facility with more than 5,000 books. In 1969, the Stokes family was commemorated for the monetary gift made by the Stokes children in honor of Mr. and Mrs. William T. Stokes, which made the Graham Library possible.

In 1994, a two million dollar project was approved to construct, equip and furnish two new Graham facilities: the Graham Public Library and the Graham Police Department. Scheduled to be completed in 240 days, both buildings were placed south of the municipal building; the police department off of Maple Street and the library off of Main Street. The new 10,500 square foot library, which is more than three times the size of the original library, opened its doors on Monday, July 31, 1995.

Mebane Public Library

Mebane Public Library
101 S. First St. Mebane, NC
(919) 563-6431

In 1935 the idea that started the Mebane Public Library began with a local literary club, the Reviewers. Through their efforts in recruiting support and funds, the small beginning of the Mebane Public Library was made possible by Mr. E. M. Yoder, Principal of the Mebane Public School in 1936. Members of the Reviewers Club served as library clerks in the small room in the school. The official Mebane Public Library opened in December 1936 in the Commercial & Farmer's Bank Building, situated at the corner of Clay and North Fourth Streets.

In the Fall of 1941, the building owners offered to sell the building to the City of Mebane for the permanent home of the library. Through the efforts of local civic club fundraising, the building was purchased without the use of any tax payer funds. In 1975, the library moved into a 5,000 square foot space in the back of the Mebane Town Hall.

By the late 1990s, the windowless space at the Mebane City Hall had become cramped and library use had outgrown the space. In the early 2000s the idea to refurbish a vacant mill building revitalized the community. Built in 1919 as Durham Hosiery and changing hands over the years to become Dixie Yarns in the 30s and R.L. Stowe Mills until 2001, the renovated space offered three times the capacity for the new Mebane Public Library and opened its doors on November 7, 2005.

North Park Library

The North Park Community Center was built by the City of Burlington in 1978 with funds from the federal Housing and Community Development Act. Initial partnering organizations operating part-time from the new facility included the Burlington Police Department's Crime Prevention Bureau, the Alamance-Caswell Area Mental Association, the Alamance County Health Department and the N.C. Central Regional Library.

On May 15, the North Park Library opened in a small room (approximately 300 square feet) of the community center and offered 'listening posts,' special programs, a story hour and a small collection of books and materials.

As popularity grew, a meeting room space was added to the library's availability, doubling the size to approximately 600 square feet. This allowed for more materials and the eventual addition of public computer space. In 2015, the City of Burlington began renovation projects in North Park. Early efforts provided new carpet and a reorganization of resources. Later efforts included a brand new entrance within the atrium of the community center.

Mobile Library

In 1938, a county bookmobile began its service in Alamance. Carrying 400 books in a converted light-delivery truck, a three-week rotation of deliveries was established.

By 1951, a second vehicle increased capacity to 1,600 books and records, making deliveries to 83 stops every two weeks. The next thirty years of continuous bookmobile service continued to grow and thrive in Alamance County until the last vehicle couldn't be replaced in the late 70s/early 80s.

In 2021, ACPL took possession of our new, high-tech Mobile Library! We then began running a designated route in October 2021, serving over 40 stops on a three-week schedule with appearances at special community events as well!

After having spent the previous fiscal year focusing on adapting our spaces to meet community needs, we prioritized getting patrons back into the libraries, attending programs, and using our resources. We saw the beginning fruits of that labor by increasing our library usage to 306,130 people through our doors or directly engaging with our vehicles.

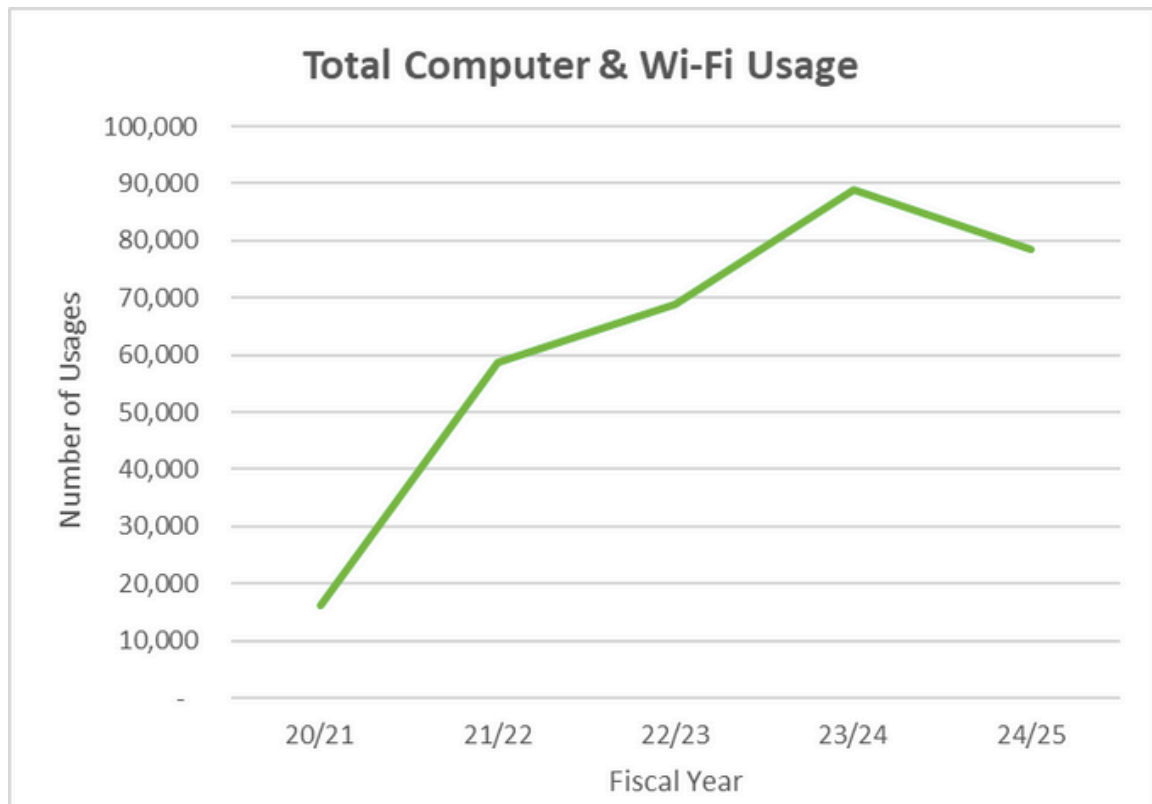

FY 2024-2025 saw 477,614 items checked out. This is a 1.87% increase over the previous fiscal year.

Services & Resources

Discovery Lab

The Makerspace at the North Park Library was made possible with special project money and the Community Development Block Grant in partnership with the City of Burlington. Additional resources are added yearly - use our 3D printers, sewing machines, tools, and more. New this year - a heat press and sublimation printer!

Your Next Great Read

A personal readers' advisory service for patrons. Participants can submit their reading preferences and are assigned a personal readers' advisory specialist to select books to try.

Local History & Genealogy

Online and in-person assistance and resources are a big part of the quest towards discovering your personal history. Electronic resources to help get started:

- Ancestry Library Edition (in library only)
- Community History Archive - digitized local newspapers (archival process underway)
- Heritage Quest

InterLibrary Loan

Materials not owned by any of the libraries of the Alamance County Public Libraries may be borrowed via InterLibrary Loan Service.

Mobile Printing

Print from your hand-held devices to the Graham, Mebane, North Park, and May Memorial public libraries. Printing charges are applicable.

StoryWalks

There are four StoryWalks scattered around Alamance County that feature deconstructed children's books with an activity for families that promotes literacy and physical fitness.

Seed Library

The seed library is a free program that encourages residents to plant, share, and save seeds. The mission of the seed library is to make free seeds available to anyone in our area to grow their own food, promote gardening and seed saving, promote healthy outdoor activity, provide information, education, and instruction about sustainable organic gardening and seed saving, and more.

Zoom Pass Program

ACPL and the Friends of the Alamance County Public Libraries have teamed up with area attractions to make the ACPL ZOOM Pass program available.

Job and Career Services

Computers & Technology

ACPL is proud to offer the following equipment to the community:

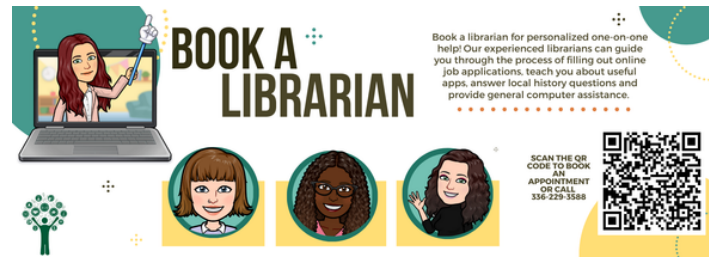

- Free Internet & Wi-Fi
- Desktop & Chromebook computers
- Hotspots for check-out from 2 providers (ensuring coverage across the county):
 - Verizon
 - T-Mobile
- LaunchPads - educational tablets with pre-loaded themed content for all ages. They do NOT require wi-fi or Internet to function.

Online Job & Career Training Resources

ACPL staff offer virtual, in-person, and pre-recorded programs. A wide variety of resources are also available to assist in writing resumes, cover letters, and prepare for interviews. Some resources include:

- Ferguson's Career Guidance Center
- EBSCO Learning Express/Prepstep
- Niche Academy
- GCF Global
- Northstar
- Coursera

Appointments

The Emerging Technologies Librarian and other library staff offer classes and one-on-one appointments on numerous technology assistance topics. Topics include applying for jobs, resumes, and email troubleshooting.

Appointment Statistics:

1:1's: 98

Library Programs: 27

Off-Site Programs: 35

Classes with ACC

Since 2016, we have offered free High School Equivalency and College and Career Readiness classes to the community in partnership with Alamance Community College. Students attend as they can, around jobs and other obligations, until they are successful.

- Classes: 142
- Participants: 549
- Graduates: 3

Electronic Resources

ACPL is proud to offer the following to our community:

- access to over 125 electronic resources in a variety of subjects.
 - Job & Career
 - College & Education
 - Business & Non-Profit
 - Financial Wellness
 - and much more!

Education & Literacy

Storytimes

We offer a wide variety of storytime options for parents and families. Weekly in-person themed programs, virtual storytimes - both live and pre-recorded, stay-home lessons, and take-home storytime kits.

ACPL Connect

ACPL Connect accounts provide students with easily accessible information and educational resources. Students no longer need library cards. Instead, they can use their school ID number to access library services.

ecoExplore

Experiences Promoting Learning Outdoors for Research and Education is an incentive-based citizen science program for children in grades K-8. Developed by The North Carolina Arboretum, this innovative program combines science exploration with kid-friendly technology to foster a fun learning environment for children while encouraging them to explore the outdoors and participate in citizen science.

Library of Things

Check out some of the non-traditional print materials we make available to patrons:

- Book Club Kits
- Books & Story To Go Kits
- Educational Resource Kits
- Computer flash drives
- Bike locks for use when inside the library
- Board & Card Games Collection
- Puzzles
- **New this Year** - Video Game Collection

Every Child Ready to Read

Every Child Ready to Read is an initiative created by the Public Library Association and the Association for Library Service to Children to encourage parents, as their child(ren)'s first teacher, to participate in enrichment activities that create the building blocks for reading.

1,000 Books Before Kindergarten

Studies have shown that by age three, a child's brain has reached 80 percent of its adult volume. Early experiences and interactions are a key factor in a child's brain development. We challenge parents and guardians to participate and win prizes on the way to reaching 1,000 books to their children before kindergarten.

Thank you for doing the poetry stroll. It instantly shows the huge lift you have made on behalf of our community! Thank you for all your hard work. I love the fact that by participating in this event I've discovered companies I had yet to encounter. Thank you for all you do for our County!

THANK YOU FOR COMING ON-SITE TO OUR EVENT! YOUR PRESENCE AND ENTHUSIASM PLAYED A HUGE ROLE IN CREATING A POSITIVE, ENGAGING, EXPERIENCE FOR EVERYONE WHO ATTENDED. THE RESIDENTS TRULY ENJOYED THEMSELVES.

Thank you for creating book bundles to make it easier for parents to find books! My daughter has really enjoyed the bundles on cats, disabilities, and several others. I love that you've made books with themes more accessible, which has led to many great conversations with her on other's experiences and perspectives. Ya'll rock!

I had a job where I did long drives between sites. Libby and Hoopla were my saviors!!!!

I just wanted to share my experience on how ABC mouse has helped my son exceed in school. Thank you! ❤️

We LOVE ACPL. First things we did when we moved here-register to vote and get a library card! Thank you 📖

I CAN'T IMAGINE NOT HAVING A WARM, WELCOMING LIBRARY NEARBY. IT WOULD COST A FORTUNE TO BUY ALL OF THE BOOKS I WANT TO READ AND TO SUBSCRIBE TO ALL OF THE DIGITAL RESOURCES I CAN ACCESS FROM HOME USING MY LIBRARY CARD. AND I LOVE SEEING THE BOOK MOBILE OUT IN THE COMMUNITY -- IT'S EVEN BETTER THAN SEEING AN ICE CREAM TRUCK. YOU ALL ROCK!
